this here aint on no hateful shit
aint tryna start no drama, but im through with it
can't stand them rap niggas who steady tryna sing
"tryna take my spot, always in my shine"
nigga that's autotune
I aint dumb
tell me when will you just ryme
spit yo sexteens riiiiiiigggggggthtt
and stop tryin to do me
see its time to make a change
you fuckin up the gaaaameee [
why can't yall do something brand new (brand new)
brand new (brand new) brand new (brand new)
why can't yall do something brand new (brand new)
brand new (brand new) brand new
brand newwwwwwwwwwwww (ohh)

aint tryna talk no politics
but yall not serious about this music shit
and I can't understand how yall be makin hits
"it seems like you don't grind, famous overnight"
and these other niggas who deserve yo spot
lets put time in this game
even some of them paved yo wayyy
and you are not that thankful
you comfortable in life
but your liiiiiivin a lieeeeeee
[
why can't you do nothing brand new (brand new) brand
new (brand new) brand new
brand new .(brand new)
why can't yall do something brand new (brand new)
brand new (brand new) brand new
brand new .(brand new) brand
newwwwwwwwwwwwwwww (oh.)
