Lil mama got a whole lot of swag  
Purse never hit the floor  
Dress never drag  
Steppin on the scene with a fresh pair of stilletos  
Sippin on a sour amaredo?  
That's one of them girls who never wanna let go  
Only one and only give you yell ur hearin let go  
Time and money well spent so I let the checks go  
Put the pedal to the metal like ready set lets go

(Chorus)

She's like chrome on my hummer  
Breeze thru my summer  
The calm before the thunder  
Can't take nothin from her  
Lil mama is so bad  
I think the best that I ever had  
Eyes dark brown, whip like blue  
Whole lot of pretty with a few tattoos  
Can't believe that I'm here with you  
Let alone spendin the whole night thru  
Holdin you

Anythin you ask  
Gurl I got ya (one hunded) car crib cash  
Love how u take ya time (neva move too fast)  
We could take it slowly  
Neva lv it lonely  
Gurl super sexy independant  
Classy full of female intuition  
Perfection the newest randition  
Did I 4get to mention she's a breeze in the kitchen

(Chorus)

She's like chrome on my hummer  
Breeze thru my summer  
The calm before the thunder  
Can't take nothin from her  
Lil mama is so bad  
I think the best that I ever had  
Eyes dark brown, whip like blue

Whole lot of pretty with a few tattoos  
Can't believe that I'm here with you  
Let alone spendin the whole night thru  
Holdin you
