I anit mad at you cause i caused it  
are is it that we aren't talkin? woahh  
and Im sick of playin' on this guitar  
girl its your body Im watchin'  
when you walk from the kitchen  
got them do the wrong  
how im nice with them ribbons  
what you wanna do? ohhh  
girl i cant go on one more night  
need your love up in my life

tell me what i gotta do  
to get your body up in this bedroom, in this bedroom  
you got me reminiscing how we used to make love in  
this bedroom, in this bedroom  
girl you cant be mad at cha boy so long  
come give me a hug ãfÂçâ, ã,Â!.forget him  
baby lets touch!  
cause ill make it up to you  
Just to get you up in this bedroom, in this bedroom

i love them jeans i wanna see em  
doin' that ass that you doin' you make me wanna chew  
em  
we anit leaving this party till your free  
(whats your issue?)  
baby imma have u smiling cause the frown  
(It Don't fit you)  
i know i did you wrong  
i know i make you cry  
but there's nothing that love can fix tonight  
girl put your trust in me  
i anit the enemy  
and just remember we're two players on the same  
team

tell me what i gotta do  
to get your body up in this bedroom, in this bedroom  
you got me reminiscing how we used to make love in  
this bedroom, in this bedroom  
girl you cant be mad at cha boy so long  
come give me a hug ãfÂçâ, ã,Â!.forget him

baby lets touch!  
cause ill make it up to you  
Just to get you up in this bedroom, in this bedroom

let me hear you say it! (say it!) say it! (say it!) say it!  
(say it!)  
Im ready to do whatever it takes! (takes!) takes!  
(takes!) takes! (takes!)  
ill jump out this window if you tell me to  
cause next to you is where Im gonna meet  
suppose to be f---, ---, --- eeeee ohhhh ohhh

tell me what i gotta do  
to get your body up in this bedroom, in this bedroom  
you got me reminiscing how we used to make love in  
this bedroom, in this bedroom  
girl you cant be mad at cha boy so long  
come give me a hug f---, ---.forget him  
baby lets touch!  
cause ill make it up to you  
Just to get you up in this bedroom, in this bedroom
