And go to the floor cuz right now your on holiday radio  
We bout to take it back to the 80's right now...

Oh.... baby.... love me right  
Let me love you till we get it right (love you till we get it  
right)  
Can't you let the others be  
'Cause with you is where I got to be (gotta be)

Oh, sugar... where you been  
Hangin' out with your male friends (out with your male  
friends)  
Somebody's going to hurt you  
The way you love to keep hurting me  
& we'll say...

Oh, oh Sheila  
Let me love you Till the morning comes (only till the  
morning baby)  
Oh, oh Sheila  
you know I want To be the only one

Oh, baby, un-der-stand  
that I want to be the only man (wanna be the only man)  
But since you're playing hard to get  
I think its time to find some other friends

Oh, sugar, it's plain to see  
That you're qualified to fill your needs  
you think you got one over on me  
Honey, baby, just you wait and see

Oh, oh.... Sheila  
Let me love you Till the morning comes (let me love you
