Yo, what's up baby?
I can't even believe I'm bout to tell you this.
But it's like every since I've been with you things you
know, just been changing.
Parts of me have been dying.
I just wanna tell you about it.

[Verse 1:]

Lately I feel like I've been slippin.
And it's you that got me trippin.
I can't control myself when I'm around you, oh.
With any other I would've been done.
Love to left the next one.
But I just can't shake you off.

[Pre-Chorus:]

Cuz you got it all girl.
(Yeah, yeah, yeah, yeah)
The body of a call girl.
(Yeah, yeah, yeah, yeah)
With a mind of a teacher.
(Yeah, yeah)
That's why I need ya.
(Yeah, yeah)
I gotta let you know.

[Chorus:]

Girl, the pimp in me just died.
(Died)
Died.
(Died)
Died.
When I look into your eyes.
(Eyes)
Your eyes.
(Eyes)
Your eyes.
(You don't know how hard I tried)
Not to call you.
Not chill with you.
Not to mess with you no more.
Girl, the pimp in me just died.

(Died)
It died.
(It died)
Died, oh.

[Verse 2:]
It ain't no use in me faking.
Here goes my heart girl, take it.
Do what you wanna do but please don't play me out.
Just understand what you have got here.
I'm the realist you gone find here.
I know you hear this all the time.
My wearing my heart, it's on the line.

[Pre-Chorus:]
Cuz you got it all girl.
The body of a call girl. (Ohh)

With a mind of a teacher. (Teacher)
That's why I need ya. (Need ya)
I gotta let you know. (I gotta let you know baby)

[Chorus:]

Baby I'm ready. (Ready)
To give up the game, can't play no more. (No more)
Do you think you ready? (Ohh)
Don't you say yes unless you're sure.
Many have tried to bring me down. (Baby)
But I'm choosing you girl. (But I'm choosing you girl)
