Baby, I'm a writer, you know
And girl tonight I'm a show ya
There's a few ideas I had in mind
I'm gon jot on your skin, if you don't mind!
And every time your legs shake, I'll be taking mental
notes
Girl my tongue gon be the pen, just put it where you
want
I'm gonna start off with a J so perfect, perfect
Time I get down to the H I'm a hurt it
O-L-I, gonna put this D all on you all night
And you gon be like A-A
Y you make me come so soon
[Hook:]
Let me get that ink drippin make sure that that thing is
working, working
Sign my name on it!
When I get up in it you gon think I'm writing in cursive,
cursive
Sign my name on it!
Know you thinking that you scripting cause you've
heard it all
Girl, your body is the paper, and I'll pen it all
When I get up in it you gon think I'm writing in cursive,
cursive
Sign my name on it!
Let me s- Let me sign my name on it
I'm a-I'm a I'm a sign my name on it
Girl, girl, girl sign my name on it
Jot jot jot, in cursive
I'm a cross them ts and work them thighs
And have you screaming vowels all night
A-E-I-OU
Sex is the concept and you're the story line.
And every time your legs shake, I'll be taking mental
notes
Girl my tongue gon be the pen, just put it where you
want
I'm gonna start off with a J so perfect, perfect
Time I get down to the H I'm a hurt it
O-L-I, gonna put this D all on you all night
And you gon be like A-A

Y you make me come so soon
[Hook:]
Let me get that ink drippin make sure that that thing is
working, working
Sign my name on it!
When I get up in it you gon think I'm writing in cursive,
cursive
Sign my name on it!
Know you thinking that you scripting cause you've
heard it all
Girl, your body is the paper, and I'll pen it all
When I get up in it you gon think I'm writing in cursive,
cursive
Sign my name on it!
The titles set, the formats laid out
Climax next, I'm on my way now
With every stroke of my pen
Oh yeah, it's going down
And I'm a make you feel every word!
I mean what I say, and I say what I mean
I never have writes block if you know what I mean
And I'm a keep on going, imagination flowing
Girl, I can write all night!
[Hook:]
Let me get that ink drippin make sure that that thing is
working, working
Sign my name on it!
When I get up in it you gon think I'm writing in cursive,
cursive
Sign my name on it!
Know you thinking that you scripting cause you've
heard it all
Girl, your body is the paper, and I'll pen it all
When I get up in it you gon think I'm writing in cursive,
cursive
Sign my name on it!
Oh, oh, oh
Yea
You can let that roll, cause I'm a just sing
Sign my name on it, Sign my name on it
Sign my name on it, Sign my name on it
I'm a sign my name...
