Last night I thought to back when we was in the 'Lac
Listening to tracks on my back, have you seen her?
Then I told you I wanna get between ya

Baby I know you remember that Marvin Gaye
And some of that Jodeci
So baby come here and let me sing to you
While we're freakin' in between the sheets

Shorty can I sing to you? Baby bring it near
Let me whisper something in your ear
Shorty can I sing to you 'cause I know what you like?
Let me bring romance into your life

Sing it with me girl
La da da, la da da
La da da, la da da
La da da da da

Shorty can I ask you one more question?
Do you like it nice and slow? Just let me know
'Cause baby if you do I'ma have you singing
In your falsetto like ooh, ooh, ooh, ooh

I don't see nothing wrong with bump and grind while I
sing to you
So baby come on over here and let me put you in the
mood

Shorty can I sing to you? Baby bring it near
Let me whisper something in your ear
Shorty can I sing to you 'cause I know what you like?
Let me bring romance in your life

Sing it with me girl
La da da, la da da
La da da, la da da
La da da da da
I'ma sing, I'ma sing to you, baby

Every freakin' night and every freakin' day
I wanna freak you baby in every freakin' way

Every freakin' night and every freakin' day
I wanna freak you girl, your body is so freakin' tight

Every freakin' night and every freakin' day
I wanna freak you baby in every freakin' way
Every freakin' day and every freakin' night
I wanna sing to you baby

Shorty can I sing to you? Baby bring it near
Let me whisper something in your ear
Shorty can I sing to you 'cause I know what you like?
Let me bring romance in your life

So sing it with me girl
La da da, la da da
La da da, la da da
La da da da da

Shorty can I sing to you?
Shorty can I sing to you?
