Days are longer  
By yourself  
You sold your soul to someone else  
Now you're paying, can't you see  
You want to pass it back to me  
Told you once, told you twice  
When you're gone don't expect to come back  
Things don't work out like I planned  
'cause you've got yourself another man  
Danger signal, danger ahead  
I know you'd be better if you thought, if you thought I  
was dead  
I won't tell you, I won't tell you no lie  
I'll come back and haunt you as another guy  
Things don't work out like I planned them  
'cause you've got yourself another man
