Hook:

You know what baby I'm faded, yeah  
feel the fly like a plane over spaceship  
the look in your eyes tell me that you wanna taste it  
and I can't even lie if you did you'll be wasted wasted  
wasted  
what you're gonna do and the feeling strong  
and your feelings can't feelin rules spending huh  
got a feelin, got a feelin gotta get it on  
let's get the fuck up of doubts and gonna do  
something  
crazy crazy crazy crazy crazy crazy crazy  
crazy crazy crazy crazy crazy crazy crazy  
wasted wasted wasted wasted wasted wasted  
wasted wasted wasted wasted wasted wasted  
let's get the fuck out of doubt and gonna do something  
crazy

It's the summer time, hot summer day, he  
me and her couple shots call em fade away  
and usually I'm gettin faded on the day to day  
but today we double up I guess it was a double day  
trouble air ahead I'm afraid that you read it  
on top of chick tell em what I'm..for your limits  
is the flood coming soon in the same..  
many bottles in the bubbles stayin flow and she let me  
'cause I'm..

A piece of out of work I'm a part of her  
release it feels like it I'm on the hear a part of her  
the part of her sometimes it get loud, she's a party up  
by the morning she'll be good so I hardy up  
party missed all the dis look she got me on the trip  
she puff of the vacation when she's up up on the dig  
all the songs, all the tricks I slash it down dollar  
bitch the even there's to spin around when she stayin  
when she on the split  
and when she did high drated I tell her rock all the juice  
going ahead the face what she do the whole thing  
like she dime for a place  
be a fool messing run it, but I never ever chase it

I'm post card in the bracelet, he's all it will ever be  
how does she reminiscent by the good times  
she only on my mind heavily when I'm

[Hook:]

Kicking that pimp shit, keep bees all want more  
all I gotta zick is some hack and whole  
she know the real nigga part of call  
she look real good with a T-shirt and her panties on  
it's amazing amazing she beat the beat blazin  
tryin to get faded, give me one, give me two  
man the..gonna fade like frankly win of that relation  
man I'm just tryin to fuck faces  
looking for the black AKA with bracelets  
five..for the asses is really big  
them tits are amazing, man that fucking amazing  
say what what, now that's my type of supergirl  
say what, now that's my type of girl

[Hook:]

Crazy  
let's do somethin' crazy  
like we faded  
when we feelin so lazy  
in the spaceship
