### "After Midnight"

After midnight, we're gonna let it all hang out  
After midnight, we're gonna chug-a-lug and shout  
We're gonna cause talk and suspicion  
Give an exhibition  
Find out what it is all about  
After midnight, we're gonna let it all hang out  
After midnight, gonna shake your tambourine  
After midnight, it's gonna be peaches and cream  
We're gonna cause talk and suspicion  
Give an exhibition  
Find out what it is all about  
After midnight, we're gonna let it all hang out  
After midnight, we're gonna let it all hang out
