It ain't easy
Drying these crying eyes of mine
It ain't easy
Drying these crying eyes of mine

I get so lonely, lonely, lonely
It ain't easy
Drying these crying eyes of mine

What can you do
When those tears make you blind?
What can you do
When those tears make you blind?

I get so lonely, lonely, lonely
What can you do
With these crying eyes of mine?

I get so lonely, lonely, lonely
What can you do
With these crying eyes of mine?
