(feat. Eric Clapton)

Well I met this old woman  
She was hard as nails  
I think she just come out of the  
County jail  
Would I loan her some money  
Just to pay her rent  
If I would she would put me  
In her  
Last Will and Testament

Well I've got lots of children  
An ex-wife or two  
I never hear from them  
'til the bills are due  
The money I gave them  
They already spent  
If I could just help 'em out  
They would put me in their  
Last Will and Testament

You know I'm goin' over sixty  
I'm older than most  
It won't be long now  
I'll be nothin' but a ghost  
My intentions  
It's my intent  
To leave all of them people  
Out of my  
Last Will and Testament

And when it's all over  
They put you in the ground  
Send my belongings  
To the Lost and Found  
My intentions  
It's my intent  
To leave all of them people  
Out of my  
Last Will and Testament
