(feat. Eric Clapton)

Floatin' down that old river boy, all my worries far
behind,
Floatin' down that old river boy, leave old memories
way behind,
Yesterday is slowly fadin',
All my life, I've been waitin', for this time.

Floatin' down that old river boy, leaves me feelin' good
inside,
Floatin' down that old river boy, tryin' to get to the other
side,
Yesterday is slowly fadin',
I been waitin', now forever, for this ride.

[Refrain:]

Ride the river in this boat, ride the river.
Ride the river in this boat, ride the river.
Ride the river in this boat, ride the river.
Ride the river in this boat, ride the river.

Floatin' down that old river boy, all my worries far
behind,
Floatin' down that old river boy, leave old memories
way behind,
Yesterday is slowly fadin',
I been waitin', now forever, for this ride

[Refrain]
