"Rose In The Garden"

I'll find my way back
To the rose in the garden
I'll find my way back
To her sweet arms

I'll find my way back
To the rose in the garden
I'll find my way back
To her little charms

Wastin' my life
Just dreamin' away
No, never again
Will I ever stray

I'll find my way back
To the rose in the garden
I'll find my way back
To her sweet arms

Wastin' my life
Just dreamin' away
No, never again
Will I ever stray

Find my way back
To the rose in the garden
I'll find my way back
To her sweet arms
