When you and I are ready
No longer earthly bound
We'll travel through
The crystal night, starbound

Heaven holds a mystery
Wrapped inside a sound
Through the eyes of in those times
Starbound, you and I

A floating star is what we are
Suspended in space
Outward bound, it's the
Only home we've found
To save the human race

Speed is now their captain
Kings that lost their crown
Motion is our master
Starbound, starbound
Starbound
