I'm gonna have a good day
A good day, a good day
Let me hear you say
Tara-nimtim (tara-nimtim)
Tara-nimtim (tara-nimtim)
Tara-nimtim (tara-nimtim)
Tara-nimtim (tara-nimtim)

No matter the day (day)
No matter the time (day)
Make up in your mind
To take over your life
And choose to be successful (eh)

I'm gonna have a good day
A good day, a good day
Let me hear you say
Tara-nimta (tara-nimtim)
Tara-nimtim (tara-nimtim)
Tara-nimtim (tara-nimtim)
Tara-nimtim (tara-nimtim)

(It's a good day)
Friends start to get in your head (yeah)
(It's a good day)
They try to make you feel misled (yeah)
(It's a good day)
Don't give 'em out control (yeah)
(It's a good day)
They try to keep you from your goal (yeah)

(oh)
The harder you try
The sweeter the price
Make up in your mind
To be a twinkle in Gods eyes
And choose to be successful (wohowoo)

I'm gonna have a good day (eeyehee)
A good day (eeyehee)
A good day (go with me)
I'm gonna have a good day (eeyehee)

A good day (eeyehee)
A good day

Let me hear you say
Tara-nimtim (tara-nimtim)
Tara-nimta (tara-nimtim)
Tara-nimtim (tara-nimtim)
Tara-nimtim (tara-nimtim)

Listen
If you happy and you know it say eeyeah (yeah)
If you happy and you know it say eeyeah (yeah)
If you happy and you know it say eeyeah (yeah)
If you happy and you know it say eeyeah (yeah)
You feeling real good say eeyeah (yeah)
You feel good about your future say eeyeah (yeah)
If you expecting good things say eeyeah (yeah)
If you happy and you know it say eeyeah (yeah)

Iâ€™m gonna have a good day (everyday is a good day)
A good day (making it a good day)
A good day
Iâ€™m gonna have a good day
A good day, a good day
Iâ€™m gonna have a good day
A good day, a good day

Let me hear you say
Tara-nimtim (tara nimtim)
Tara-nimtim (tara nimtim)
Tara-nimta (tara nimtim)
