I dig into myself and I see hurt  
I dig a little deeper and I see pain  
I see myself as an average person  
I dig into myself and I see the rain  
I m looking for a way to make it dissipate  
I m tired of crying and hope it doesn t worsen  
Does He really care for me  
Does He really know anything about me  
Does He really hold the world in His hand  
Is He too big that He doesn t understand  
Is He too far away that He can t hear  
What I need Him to hear and need Him to be near  
[Chorus:]  
Have I gone too far  
Away from your presence  
Oh my God I m running back to you  
Have I strayed away, too far to hear what you say  
Oh my God I m running back to you  
Take me [x2]  
Look deep into my eyes and I see tears  
I do some soul searching and I see fear  
I see myself as an injured person  
I try to keep safe from the struggle and the storm

I don t want this discouragement to worsen  
Does He really care about me  
Does He really know anything about me  
Does He really hold the world in His hand  
Or is He too big that He doesn t understand  
Is He too far away that He can t hear  
When I need Him to hear or need Him to be near  
[Chorus:]  
Have I gone too far  
Away from your presence  
Oh my God I m running back to you  
Have I strayed away  
Too far to hear what you say  
Oh my God I m coming back to you  
Take me  
Back into your arms  
Take me

Safe from all harm  
Take me  
Away from dark shadows  
Take me  
Where you lead I ll follow  
Take me  
I can t do this on my own  
Been gone too long  
Take me in your arms and keep me warm  
[Chorus x2]  
Take me.
