[Verse 1]

My brothers and sisters
Bring your problems to the altar
And leave your burdens there
Though you're troubled, God is able, just work your
faith

[Verse 2]

Friends and neighbors
It doesn't matter how you falter
Grab a hold of God's outstretched hand
He's a wonder, He never sleeps or slumbers, just work
your faith

[Verse 3]

Mothers and fathers
Bring your sons and your daughters
He will leave no work undone...
Now tell the nation
Of the revelation

[Bridge 1]

That He will give you
More than what you're asking
Life everlasting
Just work your faith

[Verse 4]

As I see the tears run down your face
Don't you let your doubt conquer your faith
I can see you wonder if He's there
Don't you worry, you're His child and He cares

[Bridge 2]

And He will give you more
Than what you're asking
Life everlasting
More than what you're asking
Life everlasting

[Vamp]

More, more, more, more
More, more, more, more

More, more, more, more
More, more, more, more

[Ending]

He will give you more than what you're asking, life
everlasting.

More than what you're asking, life everlasting

Just work your faith
