Ain't no fuckin' with the song dynasty, J. Valentine and Twista  
Spittin' to the rhythm while we talkin' 'bout a freak and represent the Bay area

{Verse 1}

Walked up in this bitch, feelin' nigga rich  
Got my girl dancin' like a stripper  
Get her all alone, hope her back is strong  
'Cause I'm about to show her big dipper  
She look so good I wanna taste, yeah, yeah  
Throw it in my face, yeah, yeah  
I love the way she move her waist, yeah, yeah  
She drop it to that 808 and all that I could say is

{Chorus}

Shorty got ah, ah  
Shorty got ah, ah  
Shorty got ass and titties  
Shorty got ah, ah  
Shorty got ah, ah  
Shorty got ass and titties

She look so good I wanna taste, yeah, yeah  
Throw it in my face, yeah, yeah  
Shorty got ah, ah  
Shorty got ah, ah  
Shorty got ass and titties

{Verse 2}

She got hella tricks, call 'em on a flip  
Damn that booty shakin' like Jell-o, Jell-o  
I'ma bone in between, call 'em super freak  
They jumped out on me like hello, hello  
She look so good I wanna taste, yeah, yeah  
Throw it in my face, yeah, yeah  
I love the way she move her waist, yeah, yeah  
She drop it to that 808 and all that I could say is

{Chorus}

Shorty got ah, ah  
Shorty got ah, ah

Shorty got ass and titties  
Shorty got ah, ah  
Shorty got ah, ah  
Shorty got ass and titties

She look so good I wanna taste, yeah, yeah  
Throw it in my face, yeah, yeah  
Shorty got ah, ah  
Shorty got ah, ah  
Shorty got ass and titties

{Verse 3}

Baby let me murder the fatty like a assassin, I wanna  
own it like a asset  
Then bend it over for some easy access, then see the  
booty from another aspect  
Girl I see your body is intricate, your beauty is infinite  
I wanna see her with Twista, I freak her from behind  
before I enter it  
I be so intimate 'cause I wanna suck them nipples  
Lookin' good girl in your Victoria Secret  
Now you gotta take it off, get it in like uh, uh, uh  
'Cause I gotta break you off so I  
Gotta show her how a mack act, kill her when I pull up in  
the black Lacc  
When I get to blowin' on the fat sack, hit it from the side  
then the front then the back

{Chorus}

Shorty got ah, ah  
Shorty got ah, ah  
Shorty got ass and titties  
Shorty got ah, ah  
Shorty got ah, ah  
Shorty got ass and titties

She look so good I wanna taste, yeah, yeah  
Throw it in my face, yeah, yeah  
Shorty got ah, ah  
Shorty got ah, ah  
Shorty got ass and titties
