At first I was lost, not knowing where I would go
And it seemed I had reached the end of the road
And then you came, came, came
You came, you came, you came
My angel, from up above,
I never knew love, till you showed me now
And now I know just what to do,
That's all because of you

Chorus:

Every time I stare at you, I'm impressed,
You are, you, you, you better get the rest
You are, you are, you are heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me

I can't wait, can't wait to see you whenever I'm away
I'm counting all the hours of the day
Day, day, day, day, day
Day, day, day, day, day
That's what brings a smile to my face
If there's something wrong, you make it right
You put the joy in my life
But baby if you complete me
You're my everything

Chorus:

Every time I stare at you, I'm impressed,
You are, you, you, you better get the rest
You are, you are, you are heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me

Let me hear you say heaven sent
(heaven sent)

heaven sent
(heaven sent)
heaven sent
(heaven sent)
heaven sent
(heaven sent)
Heaven sent to me
To me

Chorus:

Every time I stare at you, Iâ€™m impressed,
You are, you, you, you better get the rest
You are, you are, you are heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me,
(heaven sent to me, sent to me, sent to me)
Heaven sent to me
(heaven sent to me, sent to me, sent to me)
Heaven sent to me
