Ladies this your song  
From Miami to the Bay  
Ladies this your song  
Im callin' out  
All the girls in the club tonight  
Put your hands in the air if you gon' let a playa cut

I'll beat it beat it up , yeah  
I'll beat it beat it up , yeah  
I'll beat it beat it up , yeah  
I'll beat it beat it up , yeah

[J.Valentine]

Say baby, I really wanna drive you crazy tonight  
Lil mama, wanna see them toes way up in the sky  
Turn around let me see it from the back  
I know you like it when I eat it like that  
From the bottom to the top,  
Wanna see that waterfall drop drop drop drop  
Girl I know you gunna tell your friends  
Thats why I gotta beat it up like this  
Runnin' your mouth like this  
Now they wanna know if I could give it to them

I'll beat it beat it up  
I'll beat it beat it up , yeah  
I'll beat it beat it up , yeah  
I'll beat it beat it up , yeah

[Pleasure P]

Aw shawty, gunna throw it so deep it touch your spine  
Ooh mama, dont be afraid to let me play with your  
mind

You know what im talking bout  
In the bedroom or the couch  
Imma have you screamin' ouuutt  
So baby go on and take that thang  
To the house like a football game  
Tattoo your back like a Jersey  
All they gunna see is my name

I'll beat it beat it up , yeah  
I'll beat it beat it up , yeah  
I'll beat it beat it up , yeah  
I'll beat it beat it up , yeah

[Chris Brown]

Got me like damn, your booty did something to my  
mind  
And yes 'mam I just wanna take up all of your time  
And I don't care if you a stripper baby  
Cause what I got it might tip ya over  
Look, Im looking at the way ya body just massaging  
mines  
I know you feel me girl im all up inside ya mind  
She be like stop, please baby don't go  
While I be staring at her weave like its gon' grow  
Go back to the room yeah its hammer time  
Take yo clothes off let your pajamas fly  
And keep it going with the motion  
She have appeal so you know her body rollin'

I'll beat it beat it up  
I'll beat it beat it up  
I'll beat it beat it up  
I'll beat it beat it up

Let me get it girl
