youÃfÃ, 're close to me, close as the end  
I love the past, I must not forget it  
I do remember "Dialogue", "Sunrise"  
and searching for Liebenfels

youÃfÃ, 're far from me, (why are you) so far from me  
I call up the past and I regret it  
outside I stand looking in  
and revel in the chill of nihil

bloodyoungblood

not dead in beds of white  
not dead a body wired  
not dead  
he is not dead

he is not dead in beds of white  
he is not dead a body wired  
he did not die he did not die  
he did not die

may the past arise  
and change the future
