J.Williams:

I can see the world now, it's getting crazy,
Can't believe things are getting out of control.
So much hating and debating,
Of how the way we should stand up for our people
against right,
It seems hopeless to make changes,
But you gotta do something to make a new life,
We're gonna hold on and believe that,
Gonna make it through any type of weather.

Chorus:

I'll stand with you, I'll Stand with you,
Through any storm we'll go through it all,
I'll Stand With You, I'll Stand With You,
We'll fight the fight and pull through the night,
I'll stand with you, I'll Stand with you, (with L.Williams)
No matter what the cost I will,
I'll stand with you, I'll stand with you, (with L.Williams)
I will stand with you.

Lavina:

Broken Homes and sad faces,
Lonely children fighting for each breath everyday,
I see the homeless so much pain and rejection,
Don't know how they deal with broken dreams,
It Seems hopeless to make changes,
But I gotta do something to make a new life,
I'm gonna hold on and believe that,
I'm gonna make it through any type of weather.

Chorus:

I'll Stand with you, I'll stand with you, (J.Williams)
Through any storm we'll go through it all, (:L.Williams)
I'll Stand with you, I'll stand with you, (J.Williams)
We'll fight the fight and pull through the night,
(L.Williams)
I'll stand with you, I'll stand with you, (J.Williams)
No matter what the cost I will, (L.Williams)
I'll Stand with you, I'll Stand with you, (J.Williams)
I will stand with you.(L.Williams)

Bridge:

If we stand together we can make it a difference now,
Take a chance and stand from higher grounds,
We can change the world if we stand tall and fight the
fight,

Make it a better place for the world to breathe in.

Chorus:

I'll Stand with you, I'll stand with you, (J.Williams)

Through any storm we'll go through it all, (:L.Williams)

I'll Stand with you, I'll stand with you, (J.Williams)

We'll fight the fight and pull through the night,
(L.Williams)

I'll stand with you, I'll stand with you, (J.Williams)

No matter what the cost I will, (L.Williams)

I'll Stand with you, I'll Stand with you, (J.Williams)

I will stand with you.(L.Williams)
