## "You Got Me"

Visit "[You Got Me](#)" on MotoLyrics.com

It's just me and you babe (oh no)  
We gon' take over this world

### VERSE 1

It was you that got me  
I thought I was out  
You stopped me  
I knew I was at my worst  
Then you came and blew me off my feet  
Tell me (T-tell me) Tell me  
Please can you help me... ?

Help me, do you think that we can be  
Because I never thought love would take me this quick  
A few months and it feels like years  
Every year I will still be here  
I never thought I could fall for someone

I was lost  
Baby girl you found me  
Didn't know you at first but you got to me slowly  
So I'm reassured you know that you got me  
So let me take these words and tell everybody that...

### CHORUS

You got me, you got me, (you got me)  
You, you, you, you, you yeah  
You got me; you got me (you got me)  
You, you, you, you, you yeah

### VERSE 2

Because I knew this ain't no dream  
First time you came to me (Came to me)  
Fantasy (fantasy)  
Still I got to rehearse  
In my mind words?  
Could I really get by  
Still listen to every word  
So I knew that you were right

For me  
You making me think twice

And music is nothing  
Without you right here  
If you ain't by my side  
So we gonna ride or die  
And this songs for you baby  
Yours Truly  
Can't believe  
I found my destiny  
Never believed destiny until I met you  
Now I see my future  
My lady  
I'm standing right here  
With you by my side...

#### CHORUS

You got me, you got me  
You, you, (by my side) you, you, you yeah  
You, got me, (you got me) you got me  
You, you (baby) you, you, you yeah  
You got me, (you got me baby) you got me, (you got  
me baby)  
You, you, you, you, you yeah (oh no)  
You got me, (it's scribe yo) you got me (you got me)  
You, (J. Wills) you, you, you, (look?) you yeah

#### VERSE 3 (Scribe)

Hey baby you got me  
Like a bullet shot me  
Right through my ventricle  
Don't know what I'm meant to do

Baby now you got me  
Like Adrian got Rocky  
Imma be the champion  
Cause now that I got you  
Nothing can stop me

Even though I built those walls between us  
You unlocked me  
They say love is blind  
And I can definitely not see

I adore you baby your the freakin' best  
If your world starts falling down  
You got nothing left  
Don't forget 'get
