Iâ€™ve got a love for all seasons
Iâ€™m gonna make sure thereâ€™s no reason
For you to ever seek somebody new
Iâ€™ve got a love for all seasons
Iâ€™m gonna make sure thereâ€™s never any reason
For you to seek somebody new

Winter, spring, summer or fall
Iâ€™ll be around through it all
Iâ€™m not the kind whoâ€™s a fairweather friend
Iâ€™ll be here till the end of time (Till the end of time)

Iâ€™ll be your umbrella in the rain
Shelter you from some of the pain
We will weather any storm
â€™Cause my love will come and keep you warm until it
all blows over

Iâ€™ve got a love for all seasons
Iâ€™m gonna make sure thereâ€™s no reason
For you to ever seek somebody new
Iâ€™ve got a love for all seasons
Iâ€™m gonna make sure thereâ€™s never any reason
For you to ever seek somebody new

I will make your heart sing
With the joy new love brings
Together we will gather flowers (Flowers)
On those hot, bright sunny days
I will be your pastel shades to cool, cool you down
(Down, down)

Iâ€™ve got a love for all seasons
Iâ€™m gonna make sure thereâ€™s no reason

For you to ever seek somebody new
Iâ€™ve got a love for all seasons
Iâ€™m gonna make sure thereâ€™s never any reason
For you to seek somebody new

Iâ€™ll give you more than enough love to store inside
So when the dark days come again youâ€™ll be alright

Leaves change their color (Colors), fall in winter
But the love I will give you will last through all kinds of
weather (Weather)

Iâve got a love for all seasons
Seasons, seasons
Iâll never give you a reason to seek somebody new
Iâve got a love for all seasons
Seasons, seasons
Iâll never give you a reason to seek somebody new

Iâve got a love for all seasons (Love for all seasons)
Seasons, seasons (For all the right reasons)
Iâll never give you a reason (Love for all seasons) to
seek somebody new
Iâve got a love for all seasons (Love for all seasons)
Seasons, seasons (For all the right reasons)
Iâll never give you a reason (Love for all seasons) to
seek somebody new

Iâve got a love for all seasons (Love for all seasons)
Seasons, seasons (Love for all)
