You spurned that love I gave you, darling
I loved you once was proud to own
You've found someone who need look better
And in my dream found walk alone

I'll just pretend that I don't love you
I'll just pretend that I don't care
And when I meet you face to face, dear
I'll turn my head, I'll just pretend

Those happy hours we spent together
Forever in my heart you live
That's all I have for each tomorrow
Though we could never meet again

I'll just pretend that I don't love you
I'll just pretend that I don't care
And when I meet you face to face, dear
I'll turn my head, I'll just pretend

I'll try my best to forget you
To love you now is such a sin
As I'm facing all my friends, dear
They'll understand, I won't pretend
