Blues outside my door  
I don't even know if it's raining  
But I've been here before  
and I don't wanna be here again

Every now and then  
Voices in the wind  
Call me back to the first time  
Far away and clear  
you can hear the teardrops  
Falling for the last in love

If I let you down  
all I can say is I'm sorry  
Now it's all over town  
So I don't wanna hear it from you

But please don't look away  
It's hard enough to say  
This could go on forever  
When the night is clear  
I can hear the teardrops  
Fallin for the last in love

Every now and then  
I hear voices in the wind  
I may love you always and always  
Far away and clear  
You can hear the teardrops  
Falling for the last in love  
Will we always be the last in love
