I know that I,
I have many thoughts and things to say
but I, I know that my,
words are coming out in the wrong way
I promise I won't talk anymore...

I know that I,
I have many thoughts and things to say
but I, I know that my,
words are coming out in the wrong way
I realize now that I should.. (SHUTUP)

Cause I am Blank.. I am Blank...

Like he said, the guy from Queen, he said:
"Nothing Really Matters To Me..."
So do what you want.. and say what you'll say
I haven't been listening Anyway..
I am Blank...

I think so many things that i'll never ever say..
The world's just better off that way..
This is me, bottling myself up...

I think so many things that i'll never ever say..
The world's just better off that way..
And i realize now that I should...(SHUTUP)

Cause I am Blank.. I am Blank...

Like he said, the guy from Queen said:
"Nothing Really Matters To Me..."
So do what you want.. and say what you'll say
I haven't been listening Anyway..
I am Blank...

(SOLO)
Run.. away... so far.. i'll stay...

I know that I,
I have many thoughts and things to say
but I, I know that my,

words are coming out in the wrong way
I promise I won't talk anymore...

and I think so many things that i'll never ever say..
The world's just better off that way..
This is me, bottling myself up...
THIS IS ME BOTTLING MYSELF UP...

(This is it, i've sailed away, you're gonna drown
but that's okay... listen up, here's one last word
that would keep you floating...) ()
