I saw someone today
I'll never see again
she could have been a lover
she could have been a friend
I remember things always
like pictures on a wall
so much so randomly
with nothing for me at all

So I'll remember some stupid day
all that I could have done and all I could say
it's the fastest I've ever gone
and the best I can do

and for all its moments it'll never reach you
with all the places I could live
and all the people I could meet
I still don't know what to do
and still I have to eat
you didn't know I was looking
