Hey little big man  
you aren't so tall without your friends  
am I still a punker faggot  
when they're not around

'cause now the odds are ven  
and you know I'm gonna win  
I don't care if you're sorry  
or that it won't happen again  
hey little big man  
hiding behind our badge and your sacred laws  
your laws won't protect you now  
from this gun in my hand

[Chorus]  
Hey little big man  
so high in the bureaucratic machine  
but it only takes one bullet  
to knowck that machine down  
[Chorus]
