Visit "[Sadistic Release](#)" on MotoLyrics.com

I was just a thug on the street
then I got a uniform it looks real neat
drafted into the nazi police
looking for a sadistic release
I'll cruise the streets looking for trouble
when I find it I'll make it double
bash some heads spray some mace
kick your ribs kick your face
I'm having fun
in the sun
with my gun
I'm having fun

I'll crash your party turn in out
twist your arm until you shout
gimme a chance and I'll use my gun
trashing people is so much fun
