Are we not alone  
living on the third stone  
more stars than we can ever see  
the heavens stretch infinitely

space brothers peeping down  
take a good look around  
earth's not all greed and strife  
we have some intelligent life  
terrans are not all fools  
barbarian, ruthless and cruel  
leaders lead and followers follow  
space brothers we await tomorrow

space brothers we are not afraid  
of friends we haven't made  
take us when you fly  
to your bright sentinel of the sky
