

J.F.A. "World Full Of Peace"

Visit "[World Full Of Peace](#)" on MotoLyrics.com

Where do you get your ideas
for a world full of peace
when hate and evil lives and breeds
on everybody's street
gangs and nations and corporations
are promoting bloody war
the world revolves in a sea of hate
and you're flooding it with more

and still you tell me about a world
with flowers, love and peace
don't you know this can only happen

when all hatreds cease
and you hold love for your brother
and it doesn't matter who
hear our words right now and learn
that peace starts with you
