One two three

It aint easy
Drying these cryin eyes of mine
It aint easy
Drying these crying eyes of mine
I get so lonely
Lonely
Lonely
It aint easy
Drying these crying eyes of mine
What can you do
When those tears make you blind
What can you do
When those tears make you blind
I get so lonely
Lonely
Lonely
What can you do
When those crying eyes of mine
Cha cha cha
I get so lonely
Lonely
Lonely
What can you do
When these crying eyes of mine..
