"Sensitive Kind"

Don't take her for granted
she had a hard time
don't misunderstand her
or play with her mind
treat her so gently
it will pay you in time
you gotta know
she's a sensitive kind

tell her you love her
each and every night
you will discover
she will treat you right
if you believe
i know you will find
there ain't nothing like
a sensitve kind

she gets so lonely
waiting for you
you are the only
thing to help her through
don't take her for granted
she had a hard time
you gotta know
she's a sensitve kind
