The old man he catches the fish in the morning  
He rides the river every day  
I sit on the bank and I holler when he passes  
"hey, old man, are they biting today"  
I wake up in the morning, thinking 'bout my troubles  
I go down to the water and they pass away  
And when the old man comes a-floating down the river  
"hey, old man, are they biting today"  
Now here we've got a thing that keeps on rolling  
It ain't heavy, don't take it that way  
The old man and me, we got a good thing going  
He gets his fish and I sit all day  
He gets his fish and I sit all day
