Well my heads in Georgia
But my feet is California bound
Well, my heads in Georgia
But my feet is California bound
'Cause that good lookin' woman I've got
Wants to leave this Georgia Town

Well, we ride them ol' freight trains
And wreck them automobiles
While we ride them ol' freight trains
And wreck them automobiles
'Cause that good lookin' woman is tied
Under these ol' Georgia [Incomprehensible]

And that lonesome ol' highway
It seems to be our way, no doubt
And that lonesome ol' highway
It seems to be our way no doubt
'Cause that good lookin' woman and me
And we're just hangin' out

Movin' trains and aeroplanes
Is all we do
I'm runnin' right behind her
Just like she wants me to

Makes me no difference
When all is said and done
Anyways into the setting sun

Well, my heads in Georgia
But my feet is California bound
'Cause that good lookin' woman I've got
Wants to leave this Georgia Town

Well, my heads in Georgia
But my feet is California bound
Well, my heads in Georgia
But my feet is California bound
'Cause that good lookin' woman I've got
Wants to leave this Georgia Town

'Cause that good lookin' woman I've got
Wants to leave this Georgia Town
Good lookin' woman I've got
Wants to leave this Georgia Town
