[Tiegra]

So many kinds, where can we start?

[Bunny D]

We like them dumb and we like them smart

[Tiegra]

I like the ones with the pretty eyes

[Bunny D]

Well I like all kinds of guys

[Tiegra]

STOP!

[Bunny D]

What happened?

[Tiegra]

How about the ones we especially like?

[Bunny D]

Which ones?

[Tiegra]

You know the ones with the cars that goâ€¦ (Bump)

[Bunny D]

I heard ya!

[Bunny D]

HIT IT!

[Tiegra]

It was me and the posse with Bunny D
We were cruisin' in the Jags or the Lambergini's
When low and behold there appeared a mirage
He was hooking up a car in his is daddy's garage
We stopped short, did a double take
He was looking so fly, I thought I wasn't awake
He was obviously hooking up bass I assume

But then he turned a little button and the car went
BOOM!

[Girls]

We like the cars, the cars that go BOOM!
We're Tiegra and Bunny and we like the BOOM!
We like the cars, the cars that go BOOM!
We're Tiegra and Bunny and we like the BOOM!

[Bunny D]

We like them short and we like them tall
We like them one and we like them all
They're always adding speakers when they find the
room
Cause they know we love the guys with the cars that go
BOOM!
And see my boyfriend really knows where it's at
He's got 50-inch woofers all along the back
He makes a comment on going to my room
But I'd rather stay out with his car that goes BOOM!

[Girls]

We like the cars, the cars that go BOOM!
We're Tiegra and Bunny and we like the BOOM!
We like the cars, the cars that go BOOM!
We're Tiegra and Bunny and we like the BOOM!

[Tiegra]

Now if your car ain't got it go out and get it

[Bunny D]

We like the BOOM! and don't you forget it

[Tiegra]

So turn down the treble and flaunt your bass

[Bunny D]

So your car could be heard almost any place

[Tiegra]

'Cause when you're in the street you can't go far

[Bunny D]

Without hearing the BOOM! pouring out your car

[Tiegra]

So if your speaker's weak then please turn it off

[Bunny D]

'Cause we like the cars that sounds so tough

[Girls]

We like the cars, the cars that go BOOM!

We're Tiegra and Bunny and we like the BOOM!

We like the cars, the cars that go BOOM!

We're Tiegra and Bunny and we like the BOOM!

[Girls At Random]

Everybody beep your horn

Now clap

Beep
