Hook 1:

im on my grind, tryin to shine, im busy stackin my
paper all the time
dollar signs, im getting my mine, 24/7 yeah thats all
thats on my mind
im all about the money, money, money yeah
im all about the money, money, money yeah
im all about the money

Verse 1:

dollar signs grandz, im all about the money
paperbags, rubber bands, your boy never bummin'
kick game awesome, whip game porschin'
my whole team rep green, like we play for boston
my handle good, my aim right
is that gwop boy, my game tight
get your money right, i dont play with you fuck boys
you the type to talk tuff, but never never tuck toys
goons pull up, candy apple caddy
knock out the side of your wig like cassie
guns like jada, they all sound raspy
you could push bugatti, and still couldnt pass me
the silly dollar man austin, kill em dead yellow tape
caution
scoop your bitches, slide up inside of
im on my grind, ask J.R. Writer

Hook 2:

im on my grind, tryin to shine, im busy stackin my
paper all the time
dollar signs, im getting my mine, 24/7 yeah thats all
thats on my mind
im all about the money, money, money yeah
im all about the money, money, money yeah
im all about the money

Verse 2:

im all about the money, you can see im hungry
same shit you call money is my sneaker money
i turn your little fucking money into reefa money
and send your bitch with the money to get my reefa f?

you straight but, when you became tuff
made what, man all you niggas made up
straight up, you can bet that dog
come around here, you will get your head slapped off
you soft, it's understood you aint never been good
all your clothes might be champion, but you never been
hood
never be su?, i got your girl around my neck of the
woods
giving all the neck that she could
but you hate on me, get your hate on b
hit the corner store get yourself a hate on tea
always rappin bout you ballin be a K.O.D
you need to stop overall and get a J.O.B

Hook 3:

im on my grind, tryin to shine, im busy stackin my
paper all the time
dollar signs, im getting my mine, 24/7 yeah thats all
thats on my mind
im all about the money, money, money yeah
im all about the money, money, money yeah
im all about the money
