Ha... ha... ha... ha, stop it 5!  
Stop it 5  
You aint never sold bricks  
I cop the pie and got no whip  
But you tryin to ride [what! ]  
You'se a working man  
When you ever ride or die?  
You start work at nine in the morning  
And you...  
Stop at 5!  
Stop it 5  
These the guys you idolize?  
Fuck you  
Touch who? I'll get you niggas sodomize  
Listen I am live  
Shot at me but I'm alive  
Before I hit your ass with the four  
You need to...  
Stop it 5!  
Look I've been a shooter  
And you, you've been a doodler  
You need a lyric tutor  
And I'm quick to school you  
Shit I'm gettin mula  
What's on my wrist a meilleur  
You might not be outta shape  
But you the biggeset loser  
Forget aruba  
I'm about to hit up cuba  
For a couple cuban cigars  
Just to twist my buddah  
Might slide through a mat  
If ya chick is cuter [why?]  
She won't just dive in my lap  
The bitch is scuba  
Get them niggas fed  
Like that's just a ruler  
While she hit me with the head  
Till she get a tumor  
Face facts if I gotta get the luger  
You walk around with your face patch richter ruler  
Guess not I got it in a headlock

Your crew already pussy  
Yall don't need a sex op.  
Step not imma let the lead pop  
You speedin, wheelie beam  
Yall gon' need a rest stop  
Before you rest in peace  
Off a couple headshots  
Put you in a coffin for playin  
Fuck a xbox  
Come to guap you hurtin around it [yeah! ]  
Shape up I run circle around it [squares! ]  
I don't care  
These are the verses the spitters fear  
High as a lire  
I put the purple up in the air  
Yeah  
You in here? your man puff sticky  
Nah! I don't do orgy  
You can't fuck with me.
