Ja Rule ãç?? Bitch

I'm a bitch, I'm a bitch I told you nigga.
I'm a bitch, I'm a bitch I told you ho.
I'm a pussy, I'm a pussy I told you nigga.
I'm a pussy, I'm a pussy I told you ho.

Niggaz tryin' to act like they a bitch but they ain't.
Because I'm a bitch and then they faint.
I'm the biggest pussy around they did'nt found.
My moms sais I'm ugly but I think not.
Cause I'm with the GGG GUnot.
We're ugly and do stupid things.
Unnecessary murders we are.
I kill you from in da my car
It's not a race car but ok.
It's a Fiat Punto and that's where I stay.

If you're goin' to kill me man.
Then I have to stab you with this knife man.

I'm a bitch, I'm a bitch I told you nigga.
I'm a bitch, I'm a bitch I told you ho.
I'm a pussy, I'm a pussy I told you nigga.
I'm a pussy, I'm a pussy I told you ho.

Ayo 50 you're the best rapper out there man,
they can't tell you what to do, peace bro,
it's you'r boy, Ja, da dirrrty bitch in da housse!!
