[Ja Rule Verse 1]

I know y'all niggaz is second guessin' the state I'm in
Bitch, I'm in to makin' hit records that spin like rims
So when "Flex" get it, he bomb it once, shit bomb it
twice

New York city pop your thoughts, turn off your lights
And "50" you have it, cause when Rule' spit to the
masses

I got yo attention like J-Lo's ass

[Jamacian Talking And Shot's Fired]

[Ja Rule Verse 2]

I know y'all niggaz is second guessin' the state I'm in
Bitch, I'm in to makin' hit records that spin like rims
So when "Flex" get it, he bomb it once, shit bomb it
twice

New York city pop your thoughts, turn off your lights
And "50" you have it, cause when Rule' spit to the
massed

I got yo attention like J-Lo's ass

And if it's pussy we talkin' I come to smash em'

Personal foul like cole, when I sexual harass em'

Cause bitches want you beat it with passion

Niggaz want to you to clip up and clap em'

And hide the body like nuthin' happened

Niggaz need to get they money and stick to rappin'

Or end up like one of the Jackson's beware of your
actions

Cause you don't wanna meet that desert e'

With that hair pin trigger so easy to squeeze

And no matter how you cut me I'm always chesse

Like "Black" said, It's a hundred niggaz, seventy
degrees muthafucka'

[Chorus]

[Ja Rule Verse 3]

You know they can't keep a real nigga down (no)

Not what they niggaz can even wash up it's federal

Comin and puttin snicthes on a pedestal, glorify

Had to put niggaz in jail fo' life, ain't no blood in they
eye
But who, Ja' bless 'em with tha sizzla touch
Thing's gettin better when they thought it would get
worse
I bomb first, and breath in the heat, knowin to hell I
send em'
And I ain't talkin' devils or demons, just be happy ya
breathin
And cowards go to hiccupin' and sneezin'
leavin every soul cold, and bodies never a day old
Drvin' down on a yayo and dump it, like fuck it
Niggaz addict to hutslin, no one can ever be trusted
who told the feds' to rush ya
Why you fishin' in darken looking for sharks to wise
Coast to coast man
Just look around Rule' will never back down
And y'all can never ever take my crown (niggaz)
