[Ja Rule]

Uh, yeah

It's Ja Rule baby

It's E-Dub

Yeah

Def Squad

Uh

Y'all motherfuckers think it's a game right?

Get da name right

R-U-L-E baby

My shit is airtight

Compressed, dead all da non-sense

Pass da 4-5th and load up the cartridge

E Reved up da 6

We about to blow out like bitchez wit bad kidz

Once u feelin da slugz hit

Datz as real as it gets

Then you wonda

Why da quake can come from unda-neath, while you
figure it out

You on da streetz

Laid out wit da gun still stuck in yo mouth

Fuckin wit Ja is suttin Niggaz fearfully doubt

Cuz I don't give a fuck

I don't give a fuck, god may I ask from yo prayer so my
soul don't die

These is real tears I cried

And dreamz don't lie

When they tell me dat I'm doin good in da devilz eyez

But I preach to Im

Be dat same, Nigga put da heat to Im

Askin E Dub what da fuck you wan do to Im

[E-Dub]

E-Dub and Ja

An eye for an eye, Gat for Gat

Peep Game, Cover the Mic and Spit Flamez

Two cats who come strapped, self contained

Ain't shit this raw since Big Daddy Kane

Heavyweight, I knock a Nigga out in two

Put him to sleep, see dreamz and swear it wasn't true

Look at you, lame, I'm iller, rhyme killa,

Comin thru like da return of Godzilla

[Chorus]: [Ja and E-Dub]

Now can I tell ya
E and Ja top doggz, def squad,
Fuckin wit us is like, {suicide}
Bow down, real niggaz on da move comin thru blazin
you
Cuz we are {livin l-i-i-fe}
Thug style, Hennesey, Blazin treez,
Gettin g's, indeed, Cuz we will {do or d-i-i-i-e}
Right now by any meanz
{Words is bond word is bond}

[Ja Rule]

Ain't nobody touchin da ground dat I walk on
My Love, It's just so strong
If you crossin me you dead wrong
And you know cuz you feel it in yo heart nigga

And you don't sleep cuz yo soul might fall apart nigga
If you feelin me now,
The strenght got you settlin down
We puttin in work
In otha words we puttin in roundz
Take two for now
Ja and E-Dub
Strictly for the love
We fuck hoez and bust slugz, Nigga
Why in da world would you put me in da position
To put niggaz out of commision, love, willin and wishin
Cuz I'm feelin the need to cut off da air dat you breathe
By any means it's Ja and E no in beetweens

[E-Dub]

Now we move agile,
You and yo niggaz is fragile
Like glass and UPS boxes, Shit watch this
Still housin, The year 2000's now
So fear this or we in yo face niggaz, BLAAU

[Chorus]: [Ja and E-Dub]

Now can I tell ya
E and Ja top doggz, def squad,
Fuckin wit us is like, {suicide}
Bow down, real niggaz on da move comin thru blazin
you
Cuz we are {livin l-i-i-fe}
Thug style, Hennesey, Blazin treez,
Gettin g's, indeed, Cuz we will {do or d-i-i-i-e}
Right now by any meanz

{Words is bond word is bond }

[Ja Rule]

Now what I love is to see my niggaz on top
And I feel that we can't be stopped
And my life don't mean shit to me
But my life gon make history
Feel me, a nigga ain't supposed to be
As deadly, and you ain't even close to me
Respect me, cuz we livin dangerously
Luv me, cuz y'all cant even FUCK wit me

[Chorus]: [Ja and E-Dub]

Now can I tell ya
E and Ja top doggz, def squad,
Fuckin wit us is like, {suicide}
Bow down, real niggaz on da move comin thru blazin
you
Cuz we are {livin l-i-i-fe}
Thug style, Hennesey, Blazin treez,
Gettin g's, indeed, Cuz we will {do or d-i-i-i-e}
Right now by any meanz
{Words is bond word is bond }
