Of the united ghetto's of Emerica

And this is what he had to say at presstime

At press time this is what Ja Rule had to say

America...

[Chorus 2X: Ja Rule]

Welcome to Emerica

(Don't hate me) Cuz I done made this world what it's
gon be

Welcome to Emerica

(Don't hate me) Cuz I done made this world what it's
done to me

[Ja Rule]

Niggaz, if I could pledge my allegiance to the, United
Ghettoes

of the Emerica, go on sell ya drugs

Cuttin taxes for strippers and thugs

It's all good, room for mayor in all hood and as well I
should

I make it publicly desmist understood

When they caught me gettin high in the back of the ho-
tel

Was you freakin them ho's?

Well, I just say I was gettin a lil head but so what

Bill and Hillery stay for them stills

That's a down ass bitch for ya

Wash em with some soap and water

And return them dirty bra's to their rightful owner

Now that's creep shit

One over one, I got this broad on the one-o-one

She's botherin, so don't even come up in here

Cuz shes contious, no nonsense

She like to choke on the dick, and the lungs on the
constant

Gettin the W1's you church girl

Proda stant, it's aight ma you rollin wit the Inc.

[Chorus]

[Young Life]

Yeah I'm here can you tell?
Mo' niggaz livin, livin in ?? in Emerica
I'm never gonna feel, Nigga I'm tellin ya
Young Life is a compeditor
And is into real my niggaz headed up hill
I'm lettin you know shit's real
I came into the game copped a deal
Aimin to get this shit still
It ain't been a minute I ain't been high
And I haven't handled my buisness
How I been fuckin you bitches right
Yeah you witnesses my life
Imperial night, in the ghetto holdin my medal tight
Still, in Emerica
Remilitary is terror nigga holds his medal
Of his never be availible
That easy I'm a editor, restin up with the best of em
Minds of them bitches that stress givin em hard sex
I'm set for life, the lightin ho's that write
And hit the mic, not over night
You get the gift to be the best of something like
(Enough in Emerica) Young Life is comin home
Motherfuckers prepare to die

[Chorus]

[Chink Santana]

Niggaz hit that crack houses hustlers and hoes
No youngins up on the corners nigga smokin them
bones
I'm rattin away wit knots comin up, what's no pills?
That's why they'll find your ass slumped in the blacks
of ville
But still, I spot that paper Jo, Blowin my weed
And ain't a thing a mother need is gotta be me
But now days these lil youngins rollin on E
And a nigga that supplyin that is who runs the streets
Now look, this ain't no crack day
I gotsa come up on the stash and get back man
Cuz I done witness all this shit that they say them ho's

Fuckin wit X, like finger fuckin that hot glock
While she swallow her tit
But real, there nigga want his dick sucked?
Bitches is why bitches turn that rehold into a intrick (It's
pimp shit)

No limp dick, just a gangsta fuck Why the murder put
some major bust biatch [Chorus] Welcome to Emerica...
