(verse1)

About an year, niggaz try cage me in because  
And they claim, They Cock me and he gekkep it "in da club"  
And a nigga use his own wife to do a lot of drugs  
And december these niggaz try to 4 5 to gettin blocks 2  
- 9 because these niggaz know I'm leaving any witness  
And it's something, because these niggaz want me get  
out of this business  
Gotti have a plan to put a dick in this niggaz who try  
fuck wit us  
They try kill one each other who have an point wit us  
these niggaz got informants thes niggaz wanna trust  
This shit is bad enough  
This shit is crack enough  
Hop one of this nigagz he gotta to pay one  
Get your pay phone this is real talk

(verse 2)

this niggaz is try to set us up
