You know, Iâ€™ve been thinking about you  
And Iâ€™ve been thinking, we should get together  
But I know you have somebody, and I do too  
But I got one question. Can you get away?

[Christina Milian]

Say whatever it is you need to say,  
Cuz Iâ€™m thinkinâ€™ â€™bout heading my way.  
This relationship is getting crazy.  
Lately, lately, lately.  
Iâ€™ve been feelinâ€™ this way from back when,  
But now itâ€™s time I turned you in.  
Maybe now baby we can be friends  
Baby, baby, baby.

Baby, I give you me, myself and I.  
And if you could get near me, thereâ€™ll be no more pain  
love.
