J-E y'all
Ooh, ooh, hmm, hmm, oh

First time in my life I got a real woman
Who don't scream she don't need no brother
All she needs is some loving and you know I got it
Make my baby happy, want her to be happy
And I'mma make this night so special
Treat her good, cause in the past I done learn a lesson
Hope she got her body good and ready for the
searching
Cause I'm feeling that she's ready and I hope she's
ready

Are you ready for a love like this?
Do you think that you can handle what I got to give
Don't tell me to keep it steady, are you holding back
Just tell me what you're feeling, cause I got the healing
Are you ready?

Are you ready for a love like this?
Do you think that you can handle what I got to give
Don't tell me to keep it steady, are you holding back
Just tell me what you're feeling, cause I got the healing
Are you ready?

Though my job takes me away
I know you keep it poppin', staying safe and locked
away
Cause can't nobody do your body girl this kind of way
Raise your hands if you feel, girl I know you feel me
First chance I get, I'm on a plane
Cause I can't stand to see my baby left alone again
Times are wasted, I can live just like a simple man
Chillin' with my baby, chilling with my baby, oh

Are you ready for a love like this?
Do you think that you can handle what I got to give
Don't tell me to keep it steady, are you holding back
Just tell me what you're feeling, cause I got the healing
Are you ready?

Are you ready for a love like this?
Do you think that you can handle what I got to give
Don't tell me to keep it steady, are you holding back
Just tell me what you're feeling, cause I got the healing
Are you ready?

Are you ready for me to show you?
The things that I can do for you
Tell me are you ready
Are you ready? Are you ready?

Are you ready for me to show you?
The things that I can do for you
Tell me are you ready
Are you ready? Are you ready?

Are you ready for a love like this?
Do you think that you can handle what I got to give
Don't tell me to keep it steady, are you holding back
Just tell me what you're feeling, cause I got the healing
Are you ready?

Are you ready for a love like this?
Do you think that you can handle what I got to give
Don't tell me to keep it steady, are you holding back
Just tell me what you're feeling, cause I got the healing
Are you ready?

Said baby, oh, oh, oh, oh, oh
