[Chorus]

What they say(say, say, say)  
What they say I don't hear  
It don't make who I am  
I don't care what they say  
(say, say)  
What they say about me  
('bout me, I hear)  
But don't care what they say

Well they say I'm arrogant  
and they say I'm awfully rich,  
They say I'm too conceded  
well I say I got a reason  
(and they say)  
I call'em ho's  
(they say)  
I lost control  
well I say thank you for caring  
(they say, they say)

[Verse 1]

so why should I give a fuck 'bout him

[Chorus]

What they say(say, say, say)  
What they say I don't hear  
It don't make who I am  
I don't care what they say  
(say, say)  
What they say about me  
('bout me, I hear)

But don't care what they say

Well they say I'm overdoing  
and they say I act brand new  
and they say it's not 'bout money  
well I say it's about money  
(and they say)  
I'm getting ho's  
(they say)  
I lost my mo  
well I say hey little lovely  
(they say, they say)

[Verse 2]

Look at him riding around town  
in his new drop Phantom  
troubled every bitch and these bitches know that he  
married  
bitch ass fake thug sing like Maria Carey ass nigga  
screaming Murder knowing he ain't a killa  
look at his watch look at his chain  
I can't ----- this nigga's doing his thang  
I ain't on his dick or nothing I'm just saying  
talk is cheap man and money is power  
so I shouldn't give a fuck 'bout him

[Chorus]

What they say(say, say, say)  
What they say I don't hear  
It don't make who I am  
I don't care what they say  
(say, say)  
What they say about me  
( 'bout me, I hear)  
But don't care what they say

[Verse 3]

A nigga goin live how he live,  
fuck it baby it is what it is  
and I is the truth getting money like -----  
say what say why say who  
(I say)  
I say it ain't so but it's so how true  
Is it that nigga is sounding a bit like who  
R U the answer like AI  
a question the----like----  
the name took it off Ja'  
I been ridiculed and criticized  
and in the same breath been praised and idolized  
and if you ever get a chance to take a look in my eyes  
tell me if I give a fuck 'bout it

[Chorus]

What they say(say, say, say)

What they say I don't hear

It don't make who I am

I don't care what they say

(say, say)

What they say about me

('bout me, I hear)

But don't care what they say

What they say 'bout me ooh, ooooh

I don't really care,

Now you can talk about me

As much as you please,

But I don't give a D.A.M.
