i'll be party till the sun come up
and the all the things was missing was you (baby,

i'll be party till the sun come up
and the all the things was missing was you (baby,
baby)

i miss you (baby, baby) come home (baby, baby)
hello .. hello ..
but it ain't funny how i don't see you no more.

b*tch but i've been dreaming about you
but didn't i waken and stop realize that i can't sleep
without you
i can't breath without you no way, no way, no way

2 x chorus:

i'll be party till the sun come up
and the all the things was missing was you (baby,
baby)
i miss you (baby, baby) come home (baby, baby)

hello .. hello ..
but it ain't funny how i don't see you no more.
