[Chorus:]

[Ja Rule] Girl your stare those eyes I
[Ashanti] Love it when you look at me baby
[Ja Rule] Your lips, your smile I
[Ashanti] Love it when you kiss me baby
[Ja Rule] Your hips those thighs I
[Ashanti] Love it when you thug me baby
[Ja Rule] And I cant deny I
[Ashanti] Love it when I'm with you baby

[Ja Rule:]

I got a fetish for f*****you with your skirt on
On a back street in the back seat of a Yukon
What's taking so long?
I'm getting extra impatient waiting for you to tell a
n**** to move on
Between me and you we can find a jet to fly in my
private g2
I'm not trying to g you ma, I'm trying to see you
Bend over you know how we do it, feet to shoulders
Bring heat to the coldest night So ferocious
Promoting The d*** game is poor
Cause in the bed nigga go hard like jordan sweat
pouring
loving the way you be moaning, gripping
the sheets,
Looking at me, Licking at me
Cause every woman just want to be happy
Its crazy but baby I
[Ashanti] love it when I'm with you baby
[Chorus]

[Ashanti:]

I wanna get away
Cause you know like I know

And there's a better day coming
I'm hooked on ya lovin
Believe me
And when you want my body
I know you need me
Wait for me baby
I been going half crazy for your love
And I was told that the sex is better then drugs
being addicted boy listen
Your the only piece of the puzzle that ya missing
Like when we kissing (bye, bye, bye)
You got a girl that'll ride, ride, ride
So take me tonight and do what you do to me baby
[Chorus]

[Ja rule]
Shorty Are you really
